13. Perform any other activities consistent with this Charter that are delegated to the Committee by the Board.

The Committee will fulfill its responsibilities by carrying out the following activities:

1. At least quarterly, make reports to the Board summarizing its activities, material issues, and actions taken at each Committee meeting;
2. Review and reassess the adequacy of this Committee Charter on an annual basis and recommend any proposed changes to the Board's Nominating and Governance Committee for approval;
3. Annually review the Committee's own performance and present the results of the evaluation to the Board; and
4. Maintain a meeting planner that outlines reports and policies to be reviewed or approved at each meeting.

### **Authority**

The Committee will have the resources and authority necessary to discharge its duties and responsibilities. The Committee has authority to retain and terminate outside counsel, risk consultants or other experts, as it deems appropriate, including authority to approve the fees and other retention terms for such persons.

### **Chair and Membership**

The chair and members of the Risk and Credit Policy Committee shall be appointed by the Nominating and Governance Committee and elected by the Board. The Committee Chair must be an independent director.

### **Quorum**

A majority of the Committee Members on Risk and Credit Policy Committee shall constitute a quorum at any meeting, except when otherwise provided by law, or the Bylaws, but a lesser number may adjourn any meeting, from time to time, and the meeting may be held, as adjourned, without further notice. If the number of Committee Members is below the number that would constitute a quorum, no business may be transacted. If a quorum is present, the Committee may take action through the vote of a majority of the directors who are in attendance.

## **Meetings**

The Risk and Credit Policy Committee will meet at least four times annually, or more often as circumstances dictate. The Committee may ask members of management or others to attend the meeting and is authorized to receive any and all pertinent information from management as determined by the Committee.

Minutes of meetings will be prepared and, after review and approval by the Committee, will be submitted to the full Board for their review.
